

You've Got  
Their Backs

## BACK-TO-SCHOOL DRIVE

**With a gift of only \$25,  
you'll equip a child in foster care with a  
new, quality backpack to start the  
school year out right. While it's a small  
gift, it has a big impact!**

Our hope is that the more than 1,000 school-aged children in LCFS' care will be able to start school prepared, with their heads held high ... giving them the extra confidence they need for their first day.
